Hopetoun	VMR 604	West Pilbara	VMR 685

Be sure to log on and off To log on you will need to give the following information:

1. Your radio call sign
2. Department of Transport/Registration number (the number on the side of your boat) or your FG number.
3. Number of people on board (POB)
4. Amount of fuel on board (litres)
5. Your launch point
6. Your destination
7. What time you expect to return (ETR)

When logging on and off ensure you have been acknowledged

Leave your radio on during your voyage. **Either 88 or 90 for 27meg or 16 or 73 if you have VHF**

If you wish to have a chat with another boat it is best to do so on **96 for 27meg**, or **72 or 77 on VHF**.

Remember

- Channel 88 is reserved for emergency
- Channel 90 (or 91 for Port Denison) is for Sea Rescue
- Channel 92 is for ship to ship communication
- Channel 94 is for Club events

Mangles Bay Fishing Club
